MERHS

The class of 2018

Dear Class of 2018,

Congratulations on the completion of a stellar four years at MERHS. It is with pride that I have been involved with your class over the past four years. During this time I have witnessed you grow and mature. I have watched your many accomplishments in and out of the classroom. Whether it was in the classroom, on the athletic fields, or during your performances, your class has represented itself with class, dignity and style. Your enthusiasm and commitment to your school have not gone unnoticed.

The MERHS Class of 2018 will not be forgotten. Your hard work and dedication made this school a special place. You have been a positive influence on the school and broader community. For this you should be proud.

Thank you, Class of 2018, for being a valuable part of the MERHS school community. Best of luck in your future endeavors. I know that you will continue to make us proud.

Patricia Puglisi
Principal

Yearbook Dedication: Mr. Steve Hunt, Maintenance

"Mr. Hunt is always there to fix whatever needs fixing. He always says hi in the halls, and he is as much a fabric of this community as Ms. Puglisi or Mr. Murphy"

"I really appreciated all the help from Mr. Hunt during spirit week this year. He helped us a lot with decorations in our hallway. He is always someone you can count on when you need any sort of help in the school!"

"He is the back bone of this school."

"Mr. Hunt has come to the help of our class in so many situations where we would be running around trying to find things and he would always come to the rescue!"

"Mr. Hunt's kind demeanor and dedication to our school should not go unnoticed."

"He does everything for our class, and the work that he does behind the scenes gives us reason to name him the unsung hero."

"Mr. Hunt is always kind and goes out of his way to help us."

"Mr. Hunt does so much for our school, and he deals with so much. So thank you for all you do!!"

"Mr. Hunt is a gnarly skater and a really cool dude."

"Mr. Hunt puts up with a lot of our shenanigans and has never been recognized for it."

"Mr. Hunt is one of the most valuable people in the school. He makes sure everything runs smoothly, and does so with a smile."

"If we didn't have Mr. Hunt, this school would fall apart. Literally."

Our Advisors

Dear Ms. Brown and Wlad,

At the start of freshman year, none of us knew you and you knew none of us. We stepped into this school together with high expectations for the next four years, full of excitement and fear of what was to come. As our class advisors, you took on a responsibility that no one really wanted or was prepared for, and we're so grateful that it was you guys who decided to guide us through these fun yet challenging times. You've dealt with our insignificant freshman problems, our hesitance towards reviving the freshman-sophomore Semi, the overwhelming stress of junior year, and, of course, the roller coaster that's been our senior year.

Ms. Brown, you've always been clear-headed, helpful, and kind to any and all who come your way. You've taught us how to differentiate right from wrong, shown us when we've made a mistake, and you are always to help us improve. Your tenacious organization skills have allowed all of our events to run smoothly, and kept us afloat through the changing class officers, something that we're extremely grateful for.

Wlad, you're everybody's best friend and favorite life counselor. You're not afraid to call it how it is and enlighten us with advice from your own crazy life experiences. You never fail to bring a smile to someone's face, and everyone knows that they can come to you for anything without being judged. Thank you for always being you; our class wouldn't be the same without your quirky influence.

You guys are always willing to fight battles on our behalf and stand by us as we create our own paths, both individually and as a class. The lessons you've taught and the support you've given us will carry us all through the next chapters of our lives, and for that we thank you with utmost sincerity.

Love,
Taylor, Clara, Belle, and Juliette (and the entire Class of 2018)

Dear Class of 2018:

First, we would like to thank everyone who put so much effort into the fabrication of this yearbook. Thank you to all who turned in photos, the yearbook committee, and our amazing advisor, Ms. Epp.

We tried our best to make sure that your yearbook accurately portrays the spirit of our class through candids and formal photos! You give this book value with your memories and your nostalgic sentiments. We hope that in years to come you will keep this book as a compilation of your final memories in high school and look upon it fondly.

Although our futures diverge, our paths will forever be intertwined--with your next stage in life, we hope you create wonderful memories!

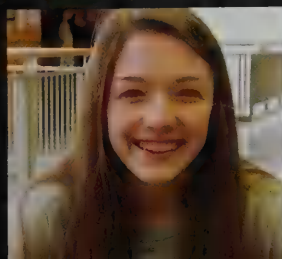

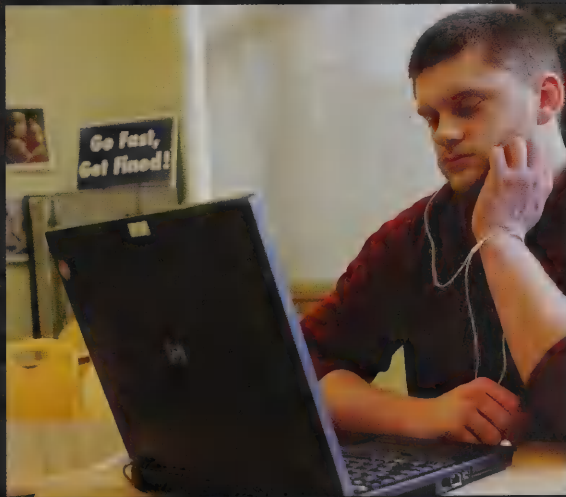

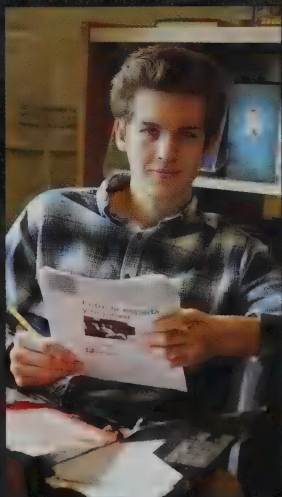

**From
Your Editors, Madison, Izzy, and Ali**

Alison Marshall

Ali,
From the moment you arrived I knew I was in trouble. Here was this beautiful, bright, shining girl, who would most definitely keep me on my toes. From your very first words to your very first steps, you knew exactly where you were going and how to get there. Your silliness, seriousness, caring and compassion are like no other. I cannot wait to see what the future holds for you. Keep dancing, enjoy life, don't be too serious, walk in the sand and smell the salt air. This is your life, your time to fly! I love you. Love, Mom - Paige, Ollie, Kitty and Jax too!
